## Tether USD ERC20 White Paper

**Author:** TERC20 Team  
**Date:** December 5, 2025

*Built on Binance Smart Chain (BSC)*

## Abstract

TERC20 is a decentralized stablecoin project built on the Binance Smart Chain (BSC) aiming to provide fast transactions, community engagement, and innovative NFT initiatives. The project follows a phased roadmap to empower the community and expand the ecosystem while offering staking, rewards, and a unique Meme Vault NFT experience.

## 1 Project Overview

- **Name:** Tether USD ERC20 (TERC20)
- **Blockchain:** Binance Smart Chain (BSC)
- **Total Supply:** 100,000,000,000 TERC20
- **Token Price at Launch:** \$1
- **Distribution:** Tokens distributed via community giveaways, staking, and NFT initiatives. No public sale.

## 2 TERC20 Roadmap

### Phase 1 – The Foundation Begins (July 2025 – Sept 2025)

- Token price starts at \$1; launch on BSC for fast transactions.
- Launch of the cross-chain bridge for stablecoins.
- Official launch of the TERC20 token.
- Giveaways to engage the community.
- Wallet integration: MetaMask, Trust Wallet, Phantom, etc.
- Smart contract audit: Verification by independent auditors (e.g., CertiK).
- Launch marketing: Meme campaigns and viral content on X and TikTok.

### Phase 2 – Building Momentum (Sept 2025 – Oct 2025)

- Community vote: Holders with 10,000+ TERC20 decide on token burning (up to 30%) and easing the dollar peg.
- Launch of TERC20 Meme Vault: Exclusive NFTs with memes, art, and hidden utility.
- Holders Club: Exclusive access for top holders (bonuses, NFTs, closed events).
- Partnerships: Collaborations with BSC projects (DeFi, NFT, metaverse).
- Active marketing: AMAs, meme contests, NFT giveaways for community growth.

**Phase 3 – Breaking Free (Nov 2025 onwards)**

- Large-scale token burning: Up to 30% of tokens (~20–30 billion TERC20).
- Complete decoupling from the dollar: Free market rate, preparing for a price rally.
- Launch of NFT marketplace: TERC20 Meme Vault NFT trading, auction, and staking.
- Staking program: Rewards for holders (20% of tokens) with bonuses for long-term participants.
- Ecosystem expansion: Integration with DeFi protocols, games, and metaverses.
- Global marketing: Strengthening presence on X, TikTok, and influencer partnerships.
